

To Lawn Care and Beyond,

I just wanted to send you this letter to say I am really amazed at the hard work on the bush/brush removal and flowerbed clean up. I know it was quite a task but your team did an amazing job.

I also want you to know I appreciate the reasonable prices your company charges. It is hard nowadays to get a great job done for a great price. Thanks you so much.

A handwritten signature in black ink, appearing to read "John Davey", written over the printed name and company name.
